Bids submitted are subject to LA R.S. 39:1551-1736; Purchasing Rules and Regulations; Executive Orders; General Conditions; any Special Conditions; and Specifications listed in the solicitation document.

The purpose of this solicitation is to set forth the requirements and specifications of Nicholls State University. The contents of this solicitation and the Bidder/ Vendor/ Contractor's bid response shall become contractual obligations if a contract (purchase order) ensues.

INSTRUCTIONS TO BIDDERS

- 1) **Bid Forms:** All written bids, unless otherwise provided for, must be submitted on, and in accordance with, forms provided, properly signed in ink by an authorized representative of the bidding entity. Bid prices shall be typewritten or in ink. Bids submitted in the following manner will not be accepted: (1) bid contains no signature indicating intent to be bound; (2) bid filled out in pencil; (3) photocopy of bidder's signature; and (4) bid sent by facsimile equipment. Price alterations to bid responses received before bid opening time will be considered provided the written price alteration has been received and time-stamped before bid opening time. Any other alterations of the bid response form or foreign conditions attached thereto may cause rejection of the bid response without further consideration.
- 2) **Special Envelope:** To assure consideration, all bids should be submitted in the special bid envelope if furnished for that purpose. In the event bid contains bulky material, the special bid envelope should be firmly affixed to the mailing envelope.
- 3) **Standard of Quality:** Any product or service bid shall conform to all applicable Federal and State laws and regulations and specifications contained in the solicitation document. Unless otherwise specified in the solicitation document, any manufacturer's name, trade name, brand name, or catalog number used in the specifications is for the purpose of describing the quality level and characteristic required. Bidder should specify the brand and model number of the product offered in his bid. Bids not specifying brand and model number shall be considered as offering the exact products specified in the solicitation document.
- 4) **Descriptive Information:** Bidders proposing an equivalent brand or model should submit with the bid response information (such as illustrations, descriptive literature, technical data) sufficient for the University to evaluate quality, suitability, and compliance with the specifications of the solicitation document. Failure to submit descriptive information may cause bid to be rejected. Any change made to a manufacturer's published specification submitted for a product shall be verifiable by the manufacturer. If item(s) bid does not comply with specifications (including brand and/or product number), bidder should state in what respect the item(s) deviate. Failure to note exceptions on the response form will not relieve the successful bidder(s) from supplying the actual products requested.
- 5) **Bid Opening:** Bidders may attend the bid opening, but no information or opinions concerning the ultimate contract award will be given at the bid opening or during the evaluation process. Bids may be examined 72 hours after request is made. Information pertaining to completed files may be secured by visiting the NSU Purchasing Department during normal working hours. Written bid tabulations will not be furnished.
- 6) **Louisiana Preference:** Preference is hereby given to products produced, manufactured, harvested, grown or assembled in Louisiana which are equal in quality to products produced, manufactured, harvested, grown or assembled outside of Louisiana. The bidder shall state his right to claim the ten percent (10%) preference in his bid response on the form provided and the bidder should state the respective Louisiana location where each qualifying item is produced, manufactured, harvested, grown or assembled.
- 7) **Signature Authority:** In accordance with LA Revised Statute 39:1594 (Act 121), the person signing the bid must be: (1) A current corporate officer, partnership member or other individual specifically authorized to submit a bid as reflected in the appropriate records on file with the Secretary of State; or (2) An individual authorized to bind the vendor as reflected by an accompanying corporate resolution or affidavit. By signing the bid, the bidder certifies compliance with the above.

GENERAL CONDITIONS

- 1) **Prices:** Unless otherwise specified in the solicitation, bid prices shall be complete, including transportation and handling prepaid by the bidder to destination - NSU, Thibodaux, LA. Bids other than FOB destination may be rejected. Bid prices should be quoted in the unit of measure stated. Bid prices shall be firm for a minimum of thirty (30) calendar days, unless otherwise specified by NSU in the solicitation document.
- 2) **Payment Terms:** Cash discounts for less than 30 days may be offered, but will not be considered in determining awards. Bids containing "payment in advance" or "COD" requirements may be rejected. Payment is to be made within 30 days after receipt of properly executed invoice or delivery, whichever is later.
- 3) **Delivery:** Bids may be rejected if the delivery time indicated is longer than that specified in the solicitation document.
- 4) **Taxes:** Bidder is responsible for including all applicable taxes in the bid price. The University is currently exempt from Louisiana State Sales and Use Taxes, and local parish and city taxes. An exemption certificate for state sales and use tax can be provided upon request.
- 5) **New Products:** Unless specifically called for in the solicitation document, all products for purchase must be new, never previously used, and the current model and/or packaging. No remanufactured, demonstrator, used or irregular product will be considered for purchase unless otherwise specified in the solicitation document. The manufacturer's standard warranty will apply unless otherwise stated in solicitation.
- 6) **Default of Contractor:** Failure to deliver within the time specified in the solicitation document will constitute a default and may cause cancellation of the contract. Where the University has determined the contractor to be in default, the state reserves the right to purchase any or all products or services covered by the contract on the open market and to charge the contractor with cost in excess of the contract price. Until such assessed charges have been paid, no subsequent bid from the defaulting contractor will be considered.
- 7) **Contract Cancellation:** The University shall have the right to cancel any contract, in accordance with Purchasing Rules and Regulations, for cause, including but not limited to, the following: (1) failure of the vendor to deliver within the time specified in the contract; (2) failure of the product or service to meet specifications, conform to sample quality, or to be delivered in good condition; (3) misrepresentation by the contractor; (4) fraud, collusion, conspiracy or other unlawful means of obtaining any contract with the state; (5) conflict of contract provisions with constitutional or statutory provisions of state or federal law; (6) any other breach of contract.
- 8) **Applicable Law:** All contracts shall be construed in accordance with and governed by the laws of the State of Louisiana.
- 9) **Equal Opportunity:** By submitting and signing this bid, bidder agrees that he will not discriminate in the rendering of services to and/or employment of individuals because of race, color, religion, sex, sexual orientation, age, national origin, handicap, disability, veteran status, or any other non-merit factor.
- 10) **Bid Bonds:** If a bid bond is required, a bid bond must be submitted for each separate bid response. The bid bond shall be in an amount equal to 5% of the bid price submitted and alternates, if any. The bid security shall be in a form of a bid bond or certified check, or cashiers check.

**NOTICE TO BIDDERS: ITEMS PURCHASED THAT ARE PRODUCED,
MANUFACTURED, ASSEMBLED, GROWN, OR HARVESTED IN LOUISIANA
ARE SUBJECT TO PREFERENCE LAWS, SEE BELOW.**

SPECIAL CONDITIONS

II. SPECIFICATIONS:

A) Project Specifications

- 1) There will be a metal lockable wall cabinet on the north wall of the ballroom that contains the following equipment:
 - Power Sentry On/Off Switch
 - Three (3) 8 channel mixers
 - MP3 and CD Player
 - One custom input panel containing 14 XLR FM, 1-1/4" FM Jack, 1 – 1/8" FM Jack and One On/Off selector switch
- 2) Mated to this panel will be a 24-channel two conductor shielded cable which will be mated to the second panel and the feed back eliminator in the east side cabinet
- 3) A second input panel shall be mounted on the east wall of the ballroom.
- 4) The second roll around cabinet shall be placed in the closet on the east wall of the ballroom containing the following equipment:
 - One AC power sentry
 - One feed back eliminator
 - Two power amplifiers
 - Eight wireless systems with related power supply and antenna system.
- 5) The number one amplifier will power the main speakers. The second amplifier will power speakers in five areas. These areas are the ball room entrance, Captain's Room Hall entrance, and two bathroom areas.
- 6) The following components will have separate volume control from the main control:
 - Captain's Room
 - Entrance to the elevated area to the ball room,
 - Both bathroom areas
- 7) After installation is complete, the successful bidder shall be required to test and adjust system. The successful bidder shall provide a written instruction sheet with numbering of the equipment.

B. Product Specifications

Item #1 Furman Power Sentry PL8C, or Equal

- Series Multistage surge protection
- Noise filtration to prevent hums and pops
- Protection for power spikes, line to neutral, zero ground leakage
- Spike clamping 188 VAC peak @3,000 amps
- Built in pull out lights for low lit venues – two multi-LED dimmable lamps
- Lighted visual status display
- Isolated outlet banks to prevent interference between components
- Wall wart spaced outlets for bigger power supplies
- 9 individual 3-prong outlets
- BNC Lamp Jack with lamp, 12VAC 500MA Maximum
- Maximum output current 15 amps
- 10 ft power cords with NEMA 15 plug
- Operating voltage – 90 to 139 VAC
- 1-nano second response time
- 6,500 Amps Maximum surge current
- Noise Attenuation 10dB @ 10 kHz, 40 dB @ 100 kHz, 50 dB @ 500 kHz
- Power consumption 12 watts

Item #2 – Shure SCM800 Mixers

- Non-automatic
- Adjustable channel EQ
- Quick microphone connection and linking capability for up to 32 microphones
- 120 Vac
- Full rack
- 8-balanced block mic/line inputs
- 1-1/4" aux input
- 1-balanced block mic/line output
- 8-1/4" TRS insert points or outputs
- Headphone monitoring
- 48V phantom Power

Item #3-Custom Input Panels

- 1-AC116 Stereo mini jack chassis M+ solder
- 14-NC3FD-L-1 Neutrik NC3FD-L-1 3-Pin XLR Female Latching Silver
- 1-NJ3FP6C Neutrik NJ3FP6C ¼" TRS Panel Mount Locking Jack
- 1-Punch only for toggle switch
- 1-SHBL-2 2 RU Black Anodized Aluminum Blank Rack Panel

Item #4-2-conductor shielded cable – specifications not required

Item #5– Shure A85F Hi to Low transformer

- low- to high-impedance microphone-matching transformer that provides 24 dB of signal increase gain.
- balanced female XLR and unbalanced high impedance male ¼" phone plug connectors, and may be used in reverse.
- typically used to connect a balanced low-impedance microphone output to an unbalanced high impedance input on a mixer or recorder

Item #6-Peavey Feed Back Ferrette

- Suppresses feedback using search and destroy filters that find, lock in and kill offending frequencies
- Sixteen individual filters that operate simultaneously, 8-dynamically react to input changes
- Stereo or dual mono operation which enables 32 dynamically controlled filters
- Set and forget operation in fixed installations
- Four presets for most common performance venues
- Rear panel defeat button
- Extra max panic filters for quick control of sudden, severe feedback
- Balanced XLR and TRS inputs and outputs

STANDARDIZED INSURANCE REQUIREMENTS FOR STATE AGENCY CONTRACTS

****CHAPTER 7****

INSURANCE AND INDEMNIFICATION

Before commencing work, the other party (vendor/contractor and/or subcontractor) shall obtain at its own cost and expense the following insurance in insurance companies authorized in the State, with an A.M. Best rating of A:VI or better and shall provide evidence of such insurance to the Agency, as may be required by the contracting agency. The policies or certificates thereof, shall provide the thirty days prior to cancellation notices of same shall be given to the Agency by registered mail, return receipt requested, for all of the following stated insurance policies. All notices shall name the other party and identify the agreement or contract number.

- A. Worker's Compensation - Statutory - in compliance with the Compensation law of the State.
Exception: Employers Liability is to be \$1,000,000 when work is to be over water and involves maritime exposure. (A.M. Best's rating requirement mentioned above is waived for workers compensation coverage only.)
- B. Commercial General Liability Insurance with a minimum limit of liability per occurrence of \$1,000,000 for bodily injury and property damage. This insurance shall show on the certificate of insurance which of the following coverages is not included in the policy, if any:
 - 1. Premises - Operations
 - 2. Broad Form Contractual Liability
 - 3. Products and Completed Operations
 - 4. Use of Contractors and Subcontractors
 - 5. Personal Injury
 - 6. Broad Form Property Damage
- C. Automobile Liability Insurance with a minimum of liability per occurrence of \$1,000,000 for bodily injury and property damage unless otherwise indicated in the contract specifications. This insurance shall include for bodily injury and property damage the following coverages:
 - 1. Owned automobiles
 - 2. Hired automobiles
 - 3. Non-owned automobiles

Note: If the vendor/contractor does not own an automobile and an automobile is utilized in the execution of the contract, then only hired and non-owned coverage is acceptable. If an automobile is not utilized in the execution of the contract, the automobile coverage is not required.

Location of operation shall be "All Locations".

- D. Other Party's Professional Liability. The other party shall provide proof of such insurance. (Minimum limits of \$1,000,000). Required in the "Special Conditions" of the contract specifications.
- E. Builders Risk Coverage: (See information on following pages) DOES NOT APPLY TO THIS CONTRACT
- F. If at any time any of the policies shall become unsatisfactory to the Agency as to form or substance, or if a company issuing any such policy shall become unsatisfactory to the Agency, the other party shall obtain a new policy, submit the same to the Agency for approval and submit a certificate of insurance as required in the contract. Upon failure of the other party to furnish, deliver and maintain such insurance as above provided, this contract at the election of the Agency may be forthwith declared suspended, discontinued or terminated. Failure of the other party to take out and/or maintain any required insurance, shall not relieve the other party from any liability under the contract, nor shall the insurance be construed to conflict with the obligations of the other party concerning indemnification.

- G. All policies and certificates of insurance of the other party shall reflect the following:
1. The other party's insurer will have no right of recovery or subrogation against the Agency, it being the intention of the parties that the insurance policies so affected shall protect both parties and the primary coverage for any and all losses covered by the described insurance.
 2. The Agency shall be named as an "additional insured" as regards negligence by the contractor. (ISO form CG 20 1011 85).
 3. The insurance companies issuing the policy or policies shall have no recourse against the Agency for payment of any premiums or for assessments under any form of policy.

- H. The following Indemnification Agreement shall be, and is hereby, a provision of the contract:

The other party agrees to protect, defend, indemnify, have and hold harmless the State of Louisiana, all State Departments, Agencies, Boards and Commissions, its officers, agents, servants and employees, including volunteers, from and against any and all claims, demands, expense and liability arising out of injury or death to any person or the damage, loss or destruction of any property which may occur or in any way grow out of any or omission of the other party, its agents, servants, and employees, or any and all costs, expense and/or attorney fees incurred by the other party as a result of any claims, demands, and/or causes of action except of those claims, demands, and/or causes of action arising out of the negligence of the State of Louisiana, all State Departments, Agencies, Boards, commissions, its agents, representatives, and/or employees. The other party agrees to investigate, handle, respond to, provide defense for and defend any such claims, demands, or suits at its sole expense and agrees to bear all other costs and expenses related thereto, even if it (claims, etc) is groundless, false or fraudulent.

- I. Any and all deductibles in the below described insurance policies shall be assumed by and be for the amount of, and at the sole risk of the other party.
- J. The insurance companies issuing the policy or policies shall have no recourse against the Agency for payment of any premiums or for assessments under any form of policy.
- K. All property losses shall be made payable to and adjusted with the Agency.
- L. Neither the acceptance of the completed work nor payment therefor shall release the Contractor/ Subcontractor from his obligations from the insurance requirements or indemnification agreement.
- M. Additional insurance may be required on an individual basis for extra hazardous contracts and specific service agreements. If such additional insurance is required for a specific contract, that requirement will be described in the "Special Conditions" of the contract specifications.
- N. If any of the Property and Casualty insurance requirements (Exhibit A or B) are not complied with at their renewal dates, payments to the Contractor/Subcontractor may be withheld until those requirements have been met, or at the option of the Agency, the Agency may pay the Renewal Premium and withhold such payments from any monies due the Contractor/Subcontractor.

****EXHIBIT A****

INSURANCE REQUIREMENTS FOR CONTRACTORS

Contractor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Contractor, his agents, representatives, employees or subcontractors. The cost of such insurance shall be included in the Contactor's bid.

A. MINIMUM SCOPE OF INSURANCE

Coverage shall be at least as broad as:

1. Insurance Services Office form number GL 0002 (Ed. 1/73) covering Comprehensive General Liability and Insurance Services Office form number GL 0404 covering Broad Form Comprehensive General Liability; or Insurance Services Office Commercial General Liability coverage ("occurrence" form CG 0001). "Claims Made" form is unacceptable. The "occurrence form" shall not have a "sunset clause".
2. Insurance Services Office form number CA 0001 (Ed. 1/78) covering Automobile Liability and endorsement CA 0025 or CA 0001 12 90. The policy shall provide coverage for owned, hired, and non-owned coverage. If an automobile is to be utilized in the execution of this contract, and the vendor/contractor does not own a vehicle, then proof of hired and non-owned coverage is sufficient.
3. Workers' Compensation insurance as required by the Labor Code of the State of Louisiana, including Employers Liability Insurance.
4. Builders Risk Coverage.

B. MINIMUM LIMITS OF INSURANCE

Contractor shall maintain limits no less than:

1. Commercial General Liability: \$1,000,000 combined single limit per occurrence for bodily injury, personal injury, and property damage.
2. Automobile Liability: \$1,000,000 combined single limit per accident, for bodily injury and property damage.
3. Workers' Compensation and Employers Liability: Workers' Compensation limits as required by the Labor code of the State of Louisiana and Employers Liability coverage. Exception: Employers liability limit is to be \$1,000,000 when work is to be over water and involves maritime exposure.
4. Builder's Risk Coverage : Does Not apply to this contract

A General Contractor shall purchase and maintain property insurance upon the entire work included in the contract for an amount equal to the greater of the full-completed value or the amount of the construction contract including any amendments thereto. The general contractor's policy shall provide "ALL RISK" Builder's Risk insurance (extended to include the perils of wind, collapse, vandalism/malicious mischief, and theft, including theft of materials whether or not attached to any structure.) The "All Risk" Builder's Risk Insurance must also cover architects' and engineers' fees that may be necessary to provide plans and specifications and supervision of work for the repair and/or replacement of property damage caused by a covered peril not to exceed 10% of the cost of those repair and/or replacements.

Flood coverage shall be provided by the Contractor on the first floor and below for projects North of the Interstate Corridor beginning at the Texas - Louisiana border at Interstate 10 East to the Baton Rouge junction of Interstate 12, East to Slidell junction with Interstate 10 to the Louisiana - Mississippi border. Flood sub-limit shall equal an amount no lower than ten percent (10%) of the total contract cost per occurrence. Coverage for roofing projects shall not require flood coverage.

On projects South of this corridor, flood coverage shall be provided by the State of Louisiana, as the owner, through the National Flood Insurance Program (NFIP). The Contractor will be liable for the \$5,000 deductible on the NFIP policy from the Notice to Proceed date through the Notice of Final Acceptance date of the project.

A specialty contractor shall purchase and maintain property insurance upon the system to be installed for an amount equal to the greater of the full-completed value or the amount of the contract including any amendments thereto. The specialty contractor may provide an installation floater with the same coverage as the "ALL RISK" Builder's Risk insurance policy.

The policy must include the interest of the Owner, Contractor and Subcontractors as their interest may appear. The Contractor has the right to purchase coverage or self-insure any exposures not required by the bid specifications, but shall be held liable for all losses, deductibles, self-insurance for coverages not required.

Policies insuring projects involving additions, alterations or repairs to existing buildings or structures must include an endorsement providing the following:

In the event of a disagreement regarding a loss covered by this policy which may also be covered by the State of Louisiana policy of self-insurance or any commercial property insurance policy purchased by the State of Louisiana, Office of Risk Management (ORM) covering in excess of the State of Louisiana, policy of self-insurance, this company agrees to follow the following procedure to establish coverage and/or the amount of loss:

Any party to a loss may make written demand for an appraisal of the matter in disagreement. Within 20 days of receipt of written demand, this company and either ORM or its commercial insurance company shall each select a competent and impartial appraiser and notify the other of the appraiser selected. The two appraisers will select a competent and impartial umpire. The appraisers will then identify the policy or policies under which the loss is insured and, if necessary, state separately the value of the property and the amount of the loss that must be borne by each policy. If the two appraisers fail to agree, they shall submit their differences to the umpire. A written decision by any two shall determine the policy or policies and the amount of the loss. Each insurance company (or ORM) agree that the decision of the appraisers and the umpire if involved, will be binding and final and that neither party will resort to litigation. Each of the two parties shall pay its chosen appraiser and bear the cost of the umpire equally.

C. DEDUCTIBLES AND SELF-INSURED RETENTIONS

Any deductibles or self-insured retentions must be declared to and approved by the Agency. At the option of the Agency, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the Agency, its officers, employees and volunteers; or the contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

D. OTHER INSURANCE PROVISIONS

The policies are to contain, or be endorsed to contain, the following provisions:

1. General Liability and Automobile Liability Coverages

- a. The Agency, its officers, officials, employees, Boards and Commissions and volunteers are to be added as "additional insureds" as respects liability arising out of activities performed by or on behalf of the Contractor; products and completed operations of the contractor, premises owned, occupied or used by the Contractor. The coverage shall contain no special limitations on the scope of protection afforded to the Agency, its officers, officials, employees or volunteers. It is understood that the business auto policy under "Who is an Insured" automatically provides liability coverage in favor of

the State

of Louisiana.

- b. Any failure to comply with reporting provisions of the policy shall not affect coverage to the Agency, its officers, officials, employees, Boards and Commissions or volunteers.
- c. The Contractor's insurance shall apply separately to each insured against whom claim is made or suite is brought, except with respect to the limits of the insurer's liability.

2. Worker's Compensation and Employers Liability Coverage

The insurer shall agree to waive all rights of subrogation against the Agency, its officers, officials, employees and volunteers for losses arising from work performed by the Contractor for the Agency.

3. All Coverages

Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party, or reduced in coverage or in limits except after thirty (30) days prior written notice by certified mail, return receipt requested, has been given to the Agency.

E. ACCEPTABILITY OF INSURERS

Insurance is to be placed with insurers with a Best's rating of not less than A:VI. This rating requirement will be waived for workers' compensation coverage only.

F. VERIFICATION OF COVERAGE

Contractor shall furnish the Agency with certificates of insurance affecting coverage required by this clause. The certificates for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates are to be received and approved by the Agency before work commences. The Agency reserves the right to require complete, certified copies of all required insurance policies, at any time.
